PROCLAMATION

HAZARDOUS MATERIALS AWARENESS WEEK
FEBRUARY 23 - February 29, 2020

WHEREAS, the safe use of hazardous materials is essential to citizens, business, industry and local governments to maintain economic stability and the public health; and

WHEREAS, the North Central Florida Local Emergency Planning Committee recognizes the importance of protecting our communities from both accidental and deliberate releases of hazardous materials; and

WHEREAS, it is essential to increase community preparedness so that both public-sector and private-sector employees know how to safely protect themselves and those for whom they are responsible during an accidental or deliberate release of hazardous materials; and

WHEREAS, the North Central Florida Local Emergency Planning Committee offers free hazardous materials emergency response training for firefighters, emergency medical, law enforcement and other public safety personnel as well as free Shelter In-Place Train-the-Trainer classes for community groups, businesses, schools and the general public as a means of increasing safety in the event of a release; and

WHEREAS, citizens need to know that emergency responders, emergency management, all levels of government, schools and businesses are working together to ensure that our communities are as prepared as possible to protect all citizens from both accidental and deliberate releases of hazardous materials.

NOW, Therefore, Be It Resolved by the North Central Florida Local Emergency Planning Committee that:

February 23 - February 29, 2020 is declared as Hazardous Materials Awareness Week.

PASSED AND DULY ADOPTED by the North Central Florida Local Emergency Planning Committee, at a regular meeting held on the 20th day of February 2020.
